

## SCHEDULE M

### **Closing or Blocking County Highway Requirements**

**Certificate of Insurance:** \$500,000 General Liability from the contractor.  
Certificate Holder: Vigo County Board of Commissioners.

**Construction Maintenance Bond:** From the contractor, a 3 year \$5,000.00 Bond (minimum).  
Bond form provided by the Highway Engineering  
Department.

**Plan:** Specify lane blockage or entire road closure from origin to end. Please refer to  
USDOT's *Manual on Uniform Traffic Control Devices* (2003 Edition) for  
required traffic control.

**24 Hour Notice:** Please call the Highway Engineering Department @ (812) 462-  
3419 and give a 24 hour notice before working.

**Contacts:** It is the contractors/utilities responsibility to notify the 911 office.

**Permit:** All companies and/or persons must have a copy of the approved  
permit on the job site while work is being done.

**Fee:** Per Ordinance No. \_\_\_\_\_. The Engineering  
Department will calculate fees based on annual or single time  
submittal. Checks made payable to the Vigo County Treasurer.
